

AMENDED Request for Quotation

RFQ Number: MTP-2026-CARPET

Amendment Date: August 19, 2026

Provide Quotes To: Shannon Sanderson-Moyle at shannon_sanderson@mtd.uscourts.gov

RFQ number MTP-2026-CARPET is amended to clarify the minimum product standard. The original Request for Quotation is below and includes amended language in **red text** in the Material Specifications section of the Scope of Work. No other changes have been made to the RFQ.

Sincerely,

Shannon Sanderson-Moyle
Contracting Officer

SCOPE OF WORK

The Contractor shall furnish all labor, materials, equipment, supervision and incidental items necessary to complete the removal of existing carpet and installation of new carpet in the areas identified. Work includes, but is not limited to:

- MTP will be responsible for removing and replacing all furniture, equipment and contents from work areas prior to the Contractor's arrival. The Contractor shall not be required to move furniture.
- Remove all existing carpet, carpet tile and/or carpet padding in the specified areas.
- Remove all existing tack strips, staples, adhesive and other fasteners or residue from the subfloor as required to achieve a clean, smooth substrate suitable for new carpet installation.
- All removed materials shall be disposed of off-site in accordance with applicable federal, state and local regulations. Removed materials shall not be stored in GSA-controlled common areas, corridors or building service areas without prior written approval of the GSA Building Manager.
- Inspect the subfloor following removal of existing carpet and notify the COR of any deficiencies, including cracks, uneven surfaces, moisture intrusion or adhesive residue that may affect the performance of the new installation.
- Perform all subfloor preparation required for a first-class carpet installation, including patching, leveling, skim coating and adhesive removal, as needed.
- Install carpet in accordance with the Carpet and Rug Institute (CRI) Installation Standards, as applicable, and in accordance with the manufacturer's installation instructions.
- Pattern matching shall be maintained throughout all areas where patterned carpet is specified.
- All transitions, thresholds and edge treatments shall be installed per manufacturer recommendations and in a manner consistent with accessibility requirements under the Architectural Barriers Act Accessibility Standards (ABAAS).
- The Contractor shall ensure that carpet installation does not interfere with or damage any fire alarm devices, floor boxes, electrical outlets, HVAC registers or security system components. Any such components must be properly treated to remain accessible and functional following installation.
- Upon completion of installation in each area, the Contractor shall clean the installed carpet per manufacturer recommendations, remove all construction debris and apply carpet protection film or other approved protective covering.
- All adjacent walls, millwork, baseboards and furnishings shall be cleaned of any adhesive, dust or other residue resulting from the Contractor's work.
- Upon completion of all work, the Contractor shall conduct a joint inspection with the COR.
- The Contractor shall correct all deficiencies identified during the inspection within ten (10) business days, or within a timeframe agreed upon with the COR.
- Final payment shall not be made until all punch list items have been resolved to the satisfaction of the COR.
